

LUBEXPERT BROCHURE 2025

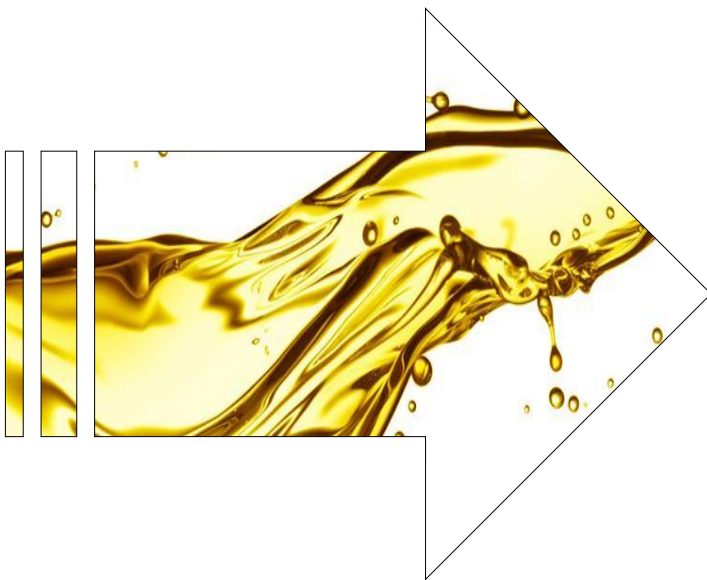

# HIGH PERFORMANCE LUBRICANTS

## LUBEXPERTS© High Performance Industrial Lubricants

Lubexpert located in Cairo since 2011. We are official distributors for Nuovo Guardia industrial lubricants and greases. Also, we are distributors for Mobil, Total, Shell, Quaker Houghton, Caltex, Apsco and Condat. Lubexpert deals with various and large production lines to cover our client's needs.

We supply machine tools, greases and industrial lubricants such as hydraulic oil, cutting oil, cooling oil, automotive oil, and all lubricants for use in a wide range of industry sectors.

We have experts to follow up on all work and provide after-sales service, which maintains manufacturing efficiency, reduces production costs, and preserves the life of the machines.

1

### Technical Expertise

Because of our extensive knowledge and proficiency in the various fields, we can effectively handle any technical problems or inquiries you might have

2

### Premium Quality Products

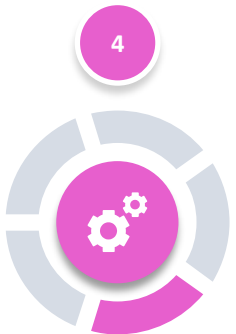

Reducing oil consumption and increasing oil drain intervals are important factors.  
Since we distribute top lubricant manufacturers worldwide, we can offer premium products that will ensure less downtime and more output.

3

### Reliable Service & Fast Delivery

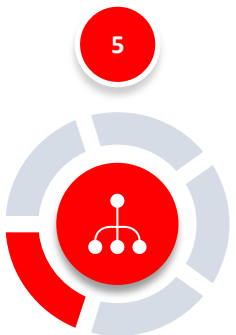

We recognize that timely delivery and the proper product inventory are essential to efficiency in every industry.  
With our strategically placed depots and our fleet of delivery, we provide fast and efficient delivery.

4

### Lubricants, Services & Solutions

Lubexpert has become one of the leading providers of lubricants and lubrication services in many sectors.

5

### Our Expert Team

our expert team is ready to help you with any lubrication-related issue whether it is selecting the right lubricant, solution of a technical problem or other issues related to lubricants.
